

## Rotarian Action Group for Diabetes

---

[WWW.RAGDIABETES.ORG](http://WWW.RAGDIABETES.ORG)

This is a reminder which I hope you are already sharing with your club and district. We have written all the DG's and hope they are informing their clubs. Many have responded, but you as RAG Diabetes members need to reach out too.

Use the links to create awareness

### WORLD DIABETES DAY

This is a simple one. Awareness is the message. 1 WDD exists and 2 how you can participate as an individual, a Rotarian and a member of your club and district. From these links you can do almost anything you want. You can spread the word digitally, or with printed posters. The fact that diabetes is a leading cause of blindness should not be ignored.
